OUR PURPOSE

We exist to assist parents in equipping their children academically and spiritually to contend for the faith and engage culturally in a life of service for the Lord Jesus Christ.

Our Mission

A true Christian education is an education that will prepare a child to find his place in the will of God, no matter where that may lead him. Such an education is not meant to isolate the student from the world but to equip him to boldly engage the world for the cause of Jesus Christ.

Our emphasis is on maintaining excellence in character, academics, athletics, and fine arts through biblical training. At Grayson Christian School, your child can receive the advantage of training that reinforces the values of a Christian home. The Scriptures plainly teach that parents are not just to be involved but are responsible for the education of their children. The administration, faculty, and staff of Grayson Christian School are eager to assist you in faithfully discharging that responsibility.

SCHOOL HOURS

K3, K4, K5 Hours:

8:30 - 1:30 Monday - Thursday

8:30 - 12:00 Friday

1st - 12th Grades Hours:

8:15 - 3:35 Monday - Thursday

8:15 - 12:05 Friday

***Extended School Day (ESD)** is available before school as early as 7:00 a.m. and as late as 6:00 p.m. after school.

The primary objective and purpose of Grayson Christian School is to train the student in the knowledge of God and the Christian way of life and to give the student an excellent education. We believe in fulfilling Proverbs 22:6, "Train up a child in the way he should go: and when he is old, he will not depart from it." Training for life must include teaching for eternity. Grayson Christian School realizes the solemn responsibility before God in molding the life and character of each child's future. The well-qualified administration and faculty demonstrate a caring concern for each child in their care. Grayson Christian School is an extension of the Christian home in training young people for time and eternity in a Christian environment. The Grayson Christian School staff work closely with parents to train the whole child. Our objective is to work along side of the parent, not replace the parent. Grayson Christian School stands without apology for their high standards of morality and Christian behavior. Grayson Christian School operates not for profit.

Parent/Teacher Orientation

Annual Parent/Teacher Orientation is held each year on the Monday evening before the first day of school. Parents, children, and friends are invited to come and visit the classrooms and meet the teachers at this time after a brief assembly with the principal.

There is a uniform swap at this orientation in which students may turn in gently used uniforms to others who may be able to use them. P.E. uniforms may also be purchased at this time.

Important: It is vital that each family attend the Parent/Teacher Orientation. The principal uses this time to share important information with each parent and student about the coming school year. Please make arrangements to attend this orientation.

BIBLICAL WORLDVIEW CONFERENCE (Jr/Sr High only)

A Biblical Worldview Conference is held once a year in the spring semester that each student in the 7th-12th grade will be **required** to attend.

Information will be sent out at the beginning of the second semester with complete details as far as time and topics. Cost will be added to their FACTs account.

GENERAL INFORMATION

Each class begins promptly at 8:15 a.m. (1st-12th) & 8:30 a.m. (K3-K5) respectively. Please note that it is very important for your student to be in their classroom 5 minutes before the start of class for morning exercises. We begin each day with the pledges to our flags, recite scripture verses, have prayer, and give announcements. All students are required to stand if physically able to do so. The school doors in the main building will be locked at 8:05 A.M. & at 8:30 A.M. in the K3-K5 building. If you arrive late to school, you will need to come to the school office to receive a tardy slip and then your student will be escorted to their classroom.

We encourage parents to pick up students promptly after school activities are over. Parents of K3, K4, and K5 students should come inside the school buildings to pick up your student at the end of each day. Students in 1st -12th grades may exit the school buildings at the end of the day on their own. Students will not be allowed to linger or “hang out” outside of the school buildings. They will be asked to sit inside the main school building until their ride arrives. Students who are habitually picked up after 30 minutes of class being dismissed will be charged the after school rate on their school bill. Extended school day is provided for students in K3 - 6th grades who need supervision until 6:00 P.M. for an additional fee. You must be signed up for this program with the school office.

STATEMENTS OF FAITH continued:

We believe that in order to preserve the function and integrity of Grayson Christian School, and to provide a biblical role model to the Grayson Christian School families and the community, it is imperative that all students and families whom attend and persons employed by Grayson Christian School in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality. (Matt 5:16; Phil 2:14-16; 1 Thess 5:22.)

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9-11.)

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31.) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of Grayson Christian School. Persons who are found to be out of harmony with the scriptural principles and values of GCS may be dismissed.

Grayson Christian School admits students of any race, color, or national and ethnic origin, and this admission will afford to them the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national, or ethnic origin in administration of its educational policies, admissions policies, athletic and other school-administered programs.

STATEMENTS OF FAITH

At Grayson Christian School, we believe that all truth is God's truth, whether it be found in the pages of Scripture or not. We believe that the Word of God is the only sure foundation upon which to build your child's life. That is why we make no apology for taking a strong Biblical stand, seeking to help you ensure that the Word of God is the reliable guide your child will hold to all the days of his life. We believe the Bible is clear in its teaching on many vital subjects. We believe in the verbal, plenary inspiration and authority of the Scriptures. We believe that the Bible reveals God, the fall of man, the way of salvation, and God's plan and purpose for the ages. We believe in God the Father, God the Son, and God the Holy Spirit. We believe in the deity, virgin birth, and bodily resurrection of Jesus Christ. We believe that salvation is "by grace"; plus nothing and minus nothing. The conditions to salvation are repentance and faith. We believe that men are justified by faith alone and are accounted righteous before God only through the merit of our Lord and Savior Jesus Christ. Justification is an eternal relationship that can never be broken. We believe in the visible, personal, and pre-millennial return of Jesus Christ. We believe in the everlasting conscious blessedness of the saved and the everlasting conscious punishment of the lost.

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27.) Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25.) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Cor 6:18; 7:2-5; Heb 13:4.) We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior or identification, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1 Cor 6:9-10.)

ABSENCES and TARDIES

In case of absence, on the day the student returns, the parent should send a dated note to the teacher explaining the reason for the absence.

There are no excused absences except for student illness, death in the immediate family, or doctor and dentist appointments.

Any student who has more than **10** absences in one school year will be put on academic probation for a 30 day period. At the end of 30 days, the principal will decide if the student can remain at Grayson Christian School.

Students who are habitually late or have excessive absences may be asked to withdraw from Grayson Christian School.

A student who must leave school with less than 2 hours in attendance will be counted absent for the entire school day. Students who remain at school for at least 2 hours but leave before the regular dismissal time will be counted present for one-half of the day.

All students are required to attend the 2 major concert programs of the school year in December and April and the End of School Awards Program unless prior permission is obtained from the principal.

A student must attend school the day of any activity (athletic event, concert, etc.) in order to participate in that particular event unless given prior approval from the principal.

Tardies are disruptive to the classroom and also have an adverse effect on your child's educational progress. Three tardies will equal one unexcused absence.

In case of tardiness, please follow the proper procedure as stated above, and do not enter the classroom until opening exercises have been completed.

AUTOMOBILE POLICIES

Please drop students off in front of the main school building with your vehicle entering on the west side and then proceed to exit in the east direction. All students arriving to school before 8:00 A.M. should enter the front doors of the Family Life Center (gymnasium). Please protect our students by driving cautiously in our parking lot, and please only drive in the direction of the arrows on the pavement.

AUTOMOBILE POLICIES continued:

1. Please park around the flag poles when parking to come inside the school buildings. Do not park in front of the main school building.
2. Each driver should be an example of courteous, careful driving habits. Follow the directions of traffic. Use turn signals. Drive extremely slow as students may be entering or exiting the school facilities.
3. Cars are not to be occupied during school hours. No students are permitted to sit in parked cars while waiting for school to begin or after school dismisses.
4. Student parking is on the back parking lot of the gym.
5. No students will be allowed to leave the school campus for any reason during school hours without parent permission.

VISITORS

Parents are required to come to the school office if they need to leave something for the student or teacher, or if they have to pick up their student. Please do not go directly to the classroom as this interrupts the teaching.

BAD WEATHER CONDITIONS

In the event of bad weather, school closing announcements will be made on Parent Alert, Facebook, and K-TEN and KXII television stations as soon as possible. If school is in session and we must close school early, we will call you and ask you to come pick up your student as soon as possible. Please keep your phone handy if inclement weather is possible. We normally adhere to the same closing schedule as the public schools in our area, but please always look for communications from the school before assuming we are closed or have resumed school.

FINANCIAL INFORMATION

There is a \$100 application fee which must be paid when application is submitted and is nonrefundable and nontransferable. Once accepted to Grayson Christian School, there is a \$275 registration fee. The registration fee secures a position in a class. No places will be held unless registration has been paid.

Grayson Christian School uses FACTS tuition and management system for tuition payments. Each family must be registered with FACTS before completing the registration process. School payments can be made at any time in the office during office hours and will be credited to your FACTS account. The office can accept checks, cash, and debit or credit cards for school payments. A fee of 3% will be added to debit or credit card transactions.

Tuition is due on the 5th or 15th of each month starting in August and ending in May. There is a \$45.00 late fee after the 15th. Students will not be admitted to class and no schoolwork will be given if payments are one month in arrears.

There is a \$30.00 charge for all checks returned to us by the bank for any reason.

No school records, including health records or graduation diploma, will be released for any student when there is a balance owed on the student's account. **No students will be allowed to participate in the graduation program if his account has not been paid in full.**

Grayson Christian School endeavors to keep low tuition rates for the benefit of each parent. For this reason, we conduct annual fundraising programs. We anticipate each student and/or parent's participation in helping raise additional funds needed for the designated school projects.

Incidental fees may be added to your FACTS account with your permission for athletic fees, lunch program, P.E. uniforms and apparel, and other misc. items.

Lunch Fees

A variety of daily lunch specials including sides are offered. Parents may order lunches through the Ren Web lunch program weekly or monthly. Lunch fees may be paid at the time of ordering or through the use of your FACTS account. If your child does not have an order in, they will be given PB&J.

Athletic Fees

Students in 5th - 12th grades who desire to play on athletic teams will pay an athletic fee for each individual sport. This fee includes a team t-shirt for that particular sport. The fee is to be paid before the first scheduled game and is non-refundable once the player has been put on a team roster.

RE-ENROLLMENT

During the month of March, re-enrollments for the fall term for present students are accepted on a first-come, first-served basis. No places will be held for former students for the following year unless a re-enrollment fee has been paid. Once re-enrollment is completed, open enrollment will begin. Existing students that did not complete re-enrollment will be subject to the regular enrollment fees.

WITHDRAWALS

All withdrawals from school must go through the school office. Students having attended one day or more will owe a pro-rated tuition. There is a \$100 fee for students who withdraw before the end of the school year plus remainder of the curriculum fee.

Class 3 Demerits

- These are demerits given to correct a behavior that is directly disobedient or disrespectful to the faculty, staff or handbook policies.
- Class 3 demerits have a value of 5 demerits or more depending on the severity of the infraction. If more than 5 demerits are to be given for any individual infraction, the Administrator will be involved in the decision.
- Examples of Class 3 demerits may include, but are not limited to, talking back to a teacher, body language that shows disrespect, cursing/foul language, bullying or demeaning another person, display of affection, misconduct on special trips, cheating/plagiarism (which will also result in a loss of grade), destruction/defacing of school or church property, stealing, etc.

Details of each assigned demerit will be sent to parents via email.

Detention

Any student of Grayson Christian School in 1st thru 12th grades may receive a detention. Detention for 5th—12th grades is usually held on Fridays starting at 7:30 a.m. in a specified room, but it may be held on a different day/time at the discretion of the GCS staff.

When a student does not report for a scheduled detention, a lunch detention will be assigned. Lunch detention will be in an assigned room during the student's lunch period where the student will eat his lunch in silence and be given a writing assignment.

Elementary (1st—4th Grades)

Honorable Character

When misconduct occurs, corrective measure will be used to help the student change behavior and attitude. Elementary discipline may require an after-school detention, a parent/teacher or parent/administrator conference, suspension, or other action as deemed necessary.

Secondary (5th—12th Grades)

The Demerit System

A demerit system is used for discipline. Demerits are accrued on a semester basis and are a part of the student's permanent file. The following actions will cause a student to earn demerits:

Class 1 Demerits

- These demerits are given for violations of the Student Handbook that have not caused a disruption in the classroom
- These are simple infractions in which no disrespect or disobedience to the faculty or staff has occurred.
- Class 1 demerits have a value of 1 demerit.
- Examples of Class 1 demerits may include, but are not limited to, having food or drink in class without permission, gum, dress code violations, tardiness, being unprepared for class, working on unrelated materials in class, in building/room without an adult present, entering building by means other than an unlocked door, littering (including trash left in lunch area), etc.

Class 2 Demerits

- These are demerits that are given to correct a behavior that has caused or is causing a disruption in the classroom.
- Class 2 demerits have a value of 2 to 4 demerits based on the severity of the infraction.
- Examples of Class 2 demerits may include, but are not limited to, talking in class, making noises, distracting other students, passing notes, hall violations, disorderly conduct (horseplay, goofing off), throwing objects,

MEDICATION

An Authorization form must be on file in the office if a student is to take any medication while at school. Prescription medication must have a physician's signature; non-prescription medication may be signed by a parent or legal guardian. Medicine must be properly labeled as to how it should be administered and in its original container.

ILLNESS

For the welfare of your child and others in the school, all students who are sick must be kept at home. When the child is well enough to participate in a normal school day, and they have been symptom free for 24 hours, they may return to school. Any student requiring prescription medication must have a signed authorization form from a doctor. Medication must be properly labeled and in its original container. Parents must send a signed authorization form for non prescription medication. Parents must fill out a consent form at the time of enrollment for Grayson Christian School staff or administrators to issue pain medication to any student at any time.

We want your student to feel their best each day. If your student is not able to participate in the normal school day activities due to illness, the staff or administration will contact you to come and pick up your child.

If your child has a doctor or dentist appointment, they must bring in a note showing they were there. That note should be turned in to their teacher for the teacher's student file.

COMMUNICABLE DISEASES

Grayson Christian School desires to maintain a healthy school environment by instituting controls designed to prevent the spread of communicable diseases. The term communicable disease shall mean an illness which arises as a result of a specific infectious agent which may be transmitted either directly or indirectly by a susceptible host, infected person, or animal to other persons.

Immunizations

All students must have an up-to-date immunization record or an Exemption Affidavit on file with the school office. Exemption Affidavit's are only good for 2 years, and must then be replaced with a new notarized exemption.

These are some signs/symptoms that warrant your child must be kept at home, or if already at school, they will be sent home:

- Has vomiting or diarrhea
- Becomes short of breath or is wheezing
- Has a cough that disrupts normal activity
- Seems very tired and needs bed rest (This is common with the flu.)
- Distracting pain from earache, headache, sore throat, or recent injury
- Has yellow or green drainage from eye(s)
- Breaks out in a rash; not all rashes require that a child stay home from school. Check with your child's doctor.
- A temperature above 100F
- Any Contagious Disease

Your child must stay home from school if he has a contagious disease. A contagious disease is one that can be spread by close contact with a person or object. Examples are: lice or nits, flu, vomiting, diarrhea, colds, strep throat, chickenpox, and "pinkeye." A disease may be contagious before the child shows signs of illness. It is very hard to prevent the spread of some germs, especially in a school classroom. Good hand washing will help prevent the spread of germs.

If a child is found to have lice or nits, they will be sent home. They must be treated and be nit free for 24 hours before they will be allowed to return to school. Your child's clothing, coat, hat, and gloves must be washed and dried on high heat before they return. If in ESD, your child's blanket and stuffed animal must also be washed.

If your child has chickenpox or strep throat, ask your doctor when he may return to school. Generally, children who have active chickenpox should not return to school until all the lesions are dried and crusted. Children with strep throat should be on antibiotics for 24 hours and feeling well enough to concentrate.

Any student or employee with a communicable disease for which immunization is required by law or is available shall be temporarily excluded from school while ill and during recognized periods of communicability.

Students and employees with communicable diseases for which immunization is not available shall be excluded from school while ill.

If the nature of the disease and circumstances warrant, Grayson Christian School may require an independent physician's examination of the student or employee to verify the diagnosis of communicable disease. Grayson Christian School reserves the right to make all final decisions necessary to enforce its communicable disease policy and to take all necessary action to control the spread of communicable diseases within the school.

DISCIPLINE

The goal of Grayson Christian School is to provide the best possible learning environment in a Christian atmosphere. Believing that discipline is necessary for the welfare of the student as well as the entire school, each teacher is given the responsibility of enforcing classroom regulations in the manner which he/she feels is in accordance with school policy and in light of Christian principles of discipline as set forth in the Scriptures. Since the teacher is responsible to maintain appropriate classroom behavior, it becomes necessary to correct any behavior that hinders the teacher or students in the classroom. Students are expected to abide by the Biblical principle in Luke 6:31 "And as ye would that men should do to you, do ye also to them likewise."

A sense of need for spiritual growth in the light of Biblical principles has led Grayson Christian School to adopt a code of conduct which is believed to be conducive to the environment that will best promote the spiritual welfare of the student. Students are expected to abide by this code of conduct throughout their enrollment whether at home, school, or elsewhere. Keeping a code of conduct is necessary to remain a student of GCS.

Grayson Christian School is above all else a Christian institution in both philosophy and practice. We firmly believe there is no place at Grayson Christian School for worldly practices or divisions so common among other institutions. GCS has the reputation of having a student body with an excellent spirit with every student treated equally and fairly regardless of nationality, race, or background.

Therefore, any student or parent(s) who promote division or a divisive spirit through social media, secret clubs, symbols, pictures, writings, flags, banners, slogans, or any divisive activism is out of harmony with the standards and Christian philosophy of Grayson Christian School. The student may be withdrawn or refused re-enrollment at the discretion of the administration.

Attendance at Grayson Christian School is a privilege and not a right. Students forfeit this privilege if they do not conform to the standards and ideals of work and life of Grayson Christian School.

ACADEMIC INFORMATION

Students who are transferring from other schools will be expected to take an entrance examination. Should the student's accomplishments (as shown by the test) be on the grade level to which he has been promoted, then he will be admitted to that grade. However, should the student's accomplishments (as shown by the test) be on a lower level, then he will be placed in the grade best suited for his achievement. It is the policy of Grayson Christian School not to accept transfer students whose accomplishments have not been up to acceptable standards.

ACADEMIC INFORMATION continued:

Academic transcripts must be submitted upon enrollment. Transcripts must include all academic coursework along with grades and earned credits. It is the responsibility of the student’s family to have foreign transcripts translated into a standard format using an official credentialing service. Students whose work is not satisfactory may be asked to transfer out.

REPORT CARDS

Report cards will be sent home at the end of every nine weeks. Report cards, grades, or transcripts will not be released at the end of the year if there is a balance owed. Parent-teacher meetings will be set up periodically to discuss progress or any concerns regarding student’s education.

HOMEWORK

The responsibility for scholastic achievement is placed on students at Grayson Christian School. We believe that homework is an integral part of the school program. Each teacher is at liberty to give homework to aid each student in advancing in his studies. We do request parents’ full cooperation in seeing that the assignments are completed. Failure to complete homework will affect the student’s daily grade.
